FRAUD AND THEFT IN IRAQ IS KILLING OUR SOLDIERS

Bush And Cheney's Contractors Are Stealing Our Soldiers Dead

An audit by the U.S. Special Inspector General for Iraq Reconstruction said U.S. auditors could not account for nearly $8.8 billion in Iraqi funds and the United States had not provided adequate controls for this money.

Every dollar which is lost in Iraq is a dollar which could have been used to stabilize the country and protect our troops. It is a dollar which could have been used to help our soldiers to complete their mission so that they can come home sooner. Indeed, every dollar wasted is a dollar spent fighting against, rather than for, our brave men and women in uniform.

IRAQ IS NOT A WAR
IT IS A ROBBERY
AND IT'S KILLING OUR SOLDIERS
