U.S. MUST FORM A TRUMAN COMMISSION ON IRAQ

http://www.votelouise.com/page/petition/truman

During World War II, Harry Truman established what became known as the Truman Commission which consisted of a group of dedicated public servants who were committed to examining all financial and military transactions related to the war effort. Their work served to expose and eliminate any waste, mismanagement, or corruption which put our troops in harms way.

Join Congress Member Louise Slaughter and demand to know how $9 billion*, and counting, has been lost in Iraq. Join her effort to form a Truman Commission to audit all financial & military transactions related to the war in Iraq so we can finally get to the bottom of this horrible situation.
