SENATE REPUBLICANS FAIL TO SUPPORT OUR TROOPS

Senate Republican leaders have decided that a gun manufacturers' liability bill is more important than next year's $441.6 billion defense authorization bill.

With Democrats expressing amazement that there could be any higher legislative priority in a time of war than the annual defense bill that includes money for pay and benefits, operations and maintenance, and weapons' purchases and research, Sen. Bill Frist of Tennessee, the Senate Republican leader, decided Tuesday that a bill protecting gun manufacturers from lawsuits over the illegal use of firearms was a higher priority THAN OUR SOLDIERS.

With over 2350 dead American soldiers, Senate Republicans chose to act this week on the National Rifle Association's top priority: shielding gun manufacturers and dealers from liability suits stemming from gun crimes.

REPUBLICANS IN CONGRESS DO NOT CARE AT ALL ABOUT OUR TROOPS
